Dear Ms. Segal:

It gives me great pleasure to inform you that your talent and your devotion to your studies has made you eligible for The City College School of Engineering Graduate Citation. Please accept the enclosed certificate with my congratulations.

Since you have shown yourself to be an outstanding scholar, you may want to explore the possibility of going for a Ph.D. degree in your field, here at The Graduate School of The City University of New York. If you wish to discuss this matter further, feel free to contact me at the Graduate Engineering Office (212-650-8030).

I wish you the very best for a successful career.

Sincerely yours,
