To Whom It May Concern,

It gives me pleasure to write this letter on behalf of Ms. Alida Segal. Ms. Segal was enrolled in my Image Processing class during the Fall 1991 semester in the Computer Science department at Columbia University. She did excellent work and her enthusiasm for the material was well beyond what was necessary for the class.

Ms. Segal is a diligent and devoted individual. She masters new material very quickly and thoroughly. Her questions are probing and exhibit a keen perseverance towards full understanding. Despite the fact that English is not her native language, Ms. Segal is very articulate and demonstrates very good communication skills. Her traits of originality, resourcefulness, and perseverance will serve her well in a research environment. I strongly recommend Alida Segal for a position in your program.

Sincerely yours,

George Wolberg
Associate Professor
