TO WHOM IT MAY CONCERN

Miss Alida Segal worked for our Company in the Import Department for the last year.

Her duties included working in the Purchasing Department checking requisitions, placing orders and being in contact with overseas suppliers by telex and telephone.

She worked in our Clearing Department releasing goods from Customs and follow-up until goods arrived in stores.

Miss Alida Segal is a conscientious, loyal, competent, precise and disciplined worker and carried out all her duties to the best of her abilities.

She's leaving of her own accord and she's highly recommended.

We wish her success in her future position.
